

INTEGRA NEW HANDLER CLIENT APPLICATION

Private and Confidential

Integra has a strict privacy of personal information policy to ensure the information you provide is treated with the utmost respect and discretion. Please note that by submitting this application to Integra you are acknowledging our intention to support therapeutic study into the benefits of service dogs for people suffering from Post Traumatic Stress Disorder (PTSD). Integra will seek to enrol you into these open and blind studies to be coordinated by Professor Zack Steele, Chair of Psychology at the UNSW and the Black Dog Institute. Prior to any release of information Integra will contact you and seek your approval. By nature of the training conducted in the Integra Service Dog Program, Integra encourages participants to support one another directly in classes, in their own training and where available via social media such as Facebook and Instagram etc.

Please save and complete the following PDF form. Insert the details required or print and hand write your responses. Where able, please scan and send the completed form to either of the following options:

_____ Date: _____

NB:

1. In accepting an Integra Service Dog and commencing training with the dog, handler clients bear the costs of feeding and caring for the dog as indicated above.

However, it should be noted that dogs provided to Integra, for purposes of ownership, remain the property of Integra until they have been successfully assessed as having met the requirements for the Public Access Test (PAT). Following successful assessment Integra will re-assign the dogs ownership to the handler client.
